

Visa Procedure

The visa procedure for the incoming Erasmus students is the following:

Students should apply for the visa before coming in the country, otherwise, they cannot stay longer than 90 days.

The documents needed are:

1. Valid passport (valid more than 3 months after leaving Macedonia)
2. Certificate of acceptance in the Erasmus+ program issued by our University
3. Learning agreement
4. Certificate for penitentiary records
5. Certificate that will show there is no accusatory act entering into legal force
6. Letter of confirmation for accommodation for the duration of the stay (ex. A dormitory contract)

All of these documents should be translated in Macedonian by a legal representative and then you should send them to the Macedonian embassy or consulate in the country from which the student comes.

This procedure has to be done for studies or traineeships that last longer 3 months. For any period up to 3 months, students don't need any kind of visa.
